Advice to Boys and Girls

Save your pennies and send them to the Hyde Park Savings Bank. That Bank receives either pennies, dimes or dollars.

Why? Because it wishes to encourage the children to be frugal and to have a little bank account of their own, even though the initial deposit is the smallest possible sum.

Children who commence an account on a penny, a nickel, or a dime, often grow into capitalists later on.

The way to become a capitalist is to commence now to save the pennies.
